TITLE OF POEM: 'THE MAN FROM SNOWY RIVER' AUTHOR: A. B. (BANJO) PATERSON

**OVERVIEW**: The performance of Bush Poetry is designed to bring alive the action, events, ideas and emotions the writer has captured in the respective poem. Through the medium of the spoken word with all its variations of tone, pitch, pace, volume, inflection, clarity and intonation and the relevant use of gesture and body language the performer takes the audience into the realm the writer has created and keeps them there until the poem concludes. Accurate, uninterrupted memorisation is necessary to ensure this realm of the imagination is not shattered.
